

# NAPLAN GUIDE FOR MAC

(This can be done either at home or at school)

Please download the Naplan Browser from the following link:

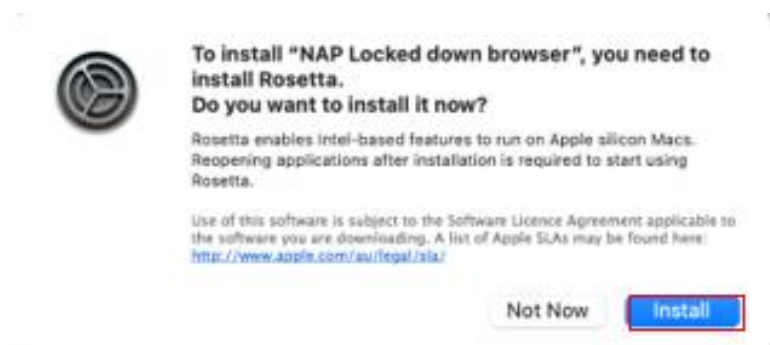

[Naplan Mac Download](#)

Once the file has finished downloading, open the file or double click on it to begin the installation process

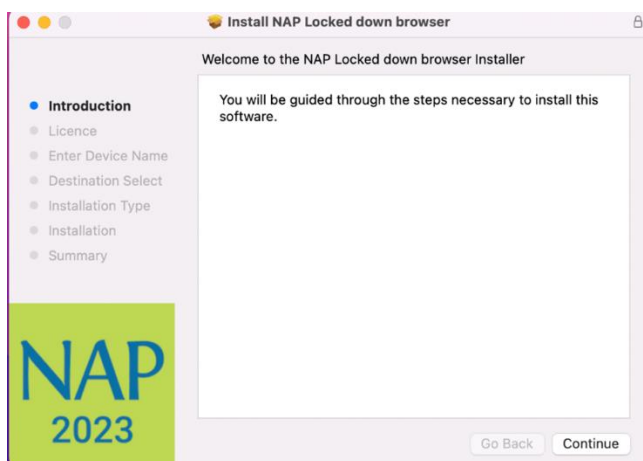

The following screens will appear although they may be slightly different depending on what type of Mac you have:

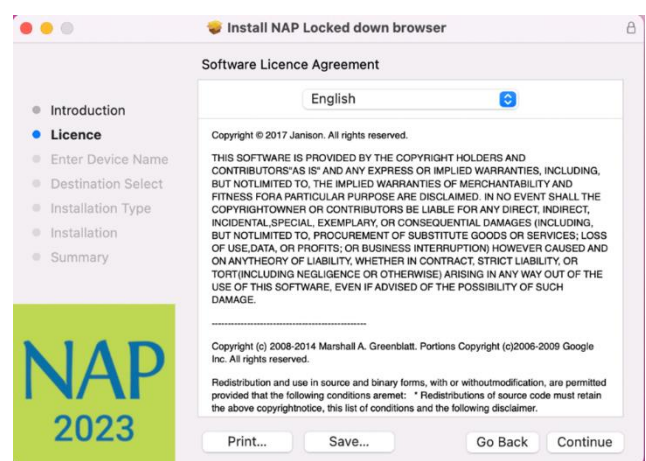

1. Click Allow

2. Click Install

3. Click Continue

4. Click Continue

To continue installing the software you must agree to the terms of the software license agreement.

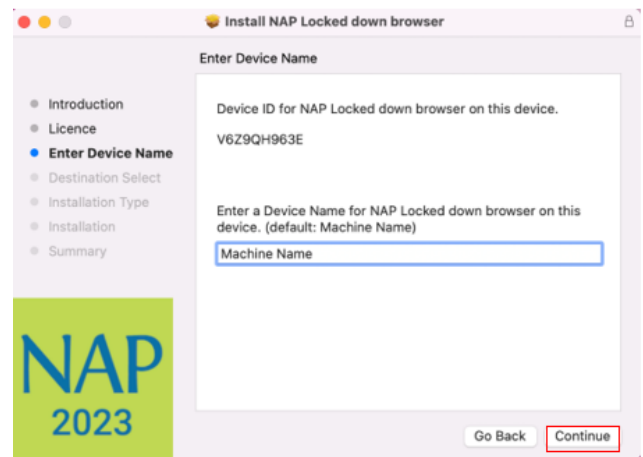

Click Agree to continue or click Disagree to cancel the installation and quit the Installer.

Read License

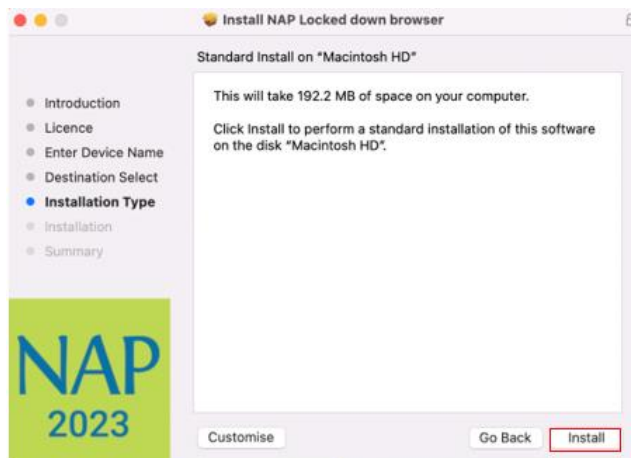

Disagree

Agree

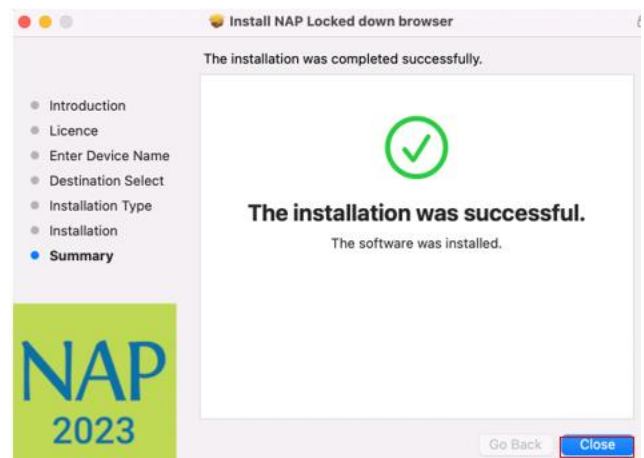

5. Click Agree  
Name and click Continue.

6. Enter the default Machine

7. Click Install

8. Click Close

After the software has finished installing you can find it in your Launchpad.
